

DIFFICULT AIRWAY- UPDATE 2012
(CME/WORKSHOP)
On March 4th, 2012

Difficulty with tracheal intubation is infrequent, but it is a common cause of anesthesia-related morbidity and mortality. While adherence to a pre-formulated strategy, such as the American Society of Anesthesiologist's (ASA) difficult airway algorithm, is likely to decrease respiratory-related morbidity and mortality, problems may still develop. These guidelines cannot be fully implemented unless the necessary equipment is available and training in their use occurs. In order to provide the best possible medical care, any care-giver who is responsible for airway management must be prepared for the worst-case scenario by understanding multiple airway techniques and devices.

This course is designed to provide participants with state - of - the - art information and hands on experience to ensure effective and appropriate management of difficult and failed airways.

**Department of Anaesthesiology and
Critical Care, PIMS, Puducherry**

in association with

**Indian Society of Anaesthesiologists,
Puducherry State Branch**

and

All India Difficult Airway Association

invites you to

DIFFICULT AIRWAY - UPDATE 2012

(CME/WORKSHOP)

on March 4th 2012, Sunday

Venue :

**MAPLE HALL THE SUNWAY GRT GRAND,
PONDICHERRY**

Time :

8.00 am to 5.00 pm

Contact:

Organizing secretaries

Dr. David George Veliath - 9944242369

Dr. Ranjan R.V. - 9600823772

PROGRAMS

- 8.00 -8.45 am Registration
8.45-9.00 am Welcome address
Dr T.R. RAMACHANDRAN,
Professor & Head,
Dept of Anaesthesiology, PIMS
- 9.00-9.30 am Airway assessment and
Difficult Airway Algorithm
Dr RAVEENDRA U S,
(Secretary, AIDiAA)
Professor and Head
K.S. Hegde Medical College,
Mangalore
- 9.30 -10.00 am Supraglottic Airway Devices
Dr. RANJAN R.V
Assistant Prof,
Dept of Anaesthesiology, PIMS
- 10.00-10.30 am Fiberoptic intubation.
Dr RAVEENDRA U S,
(Secretary, AIDiAA)
Professor and Head
K.S. Hegde Medical College,
Mangalore
- 10.30 - 10.45 am TEA BREAK
- 10.45 - 11.15 am Difficult airway experience in
Maxillofacial surgeries
Dr NAVNEETHA KRISHNAN
Assoc. Prof,
Dept of Anaesthesiology,
SAVEETHA MEDICAL COLLEGE,
Chennai
- 11.15-12.45 pm How I do it session - Difficult airway
Moderator
Dr. T. R. RAMACHANDRAN
Prof &Head, PIMS,
1. Morbidly obese patient
Dr. ASHOK BADHE,
Prof.,& HOD.,
Dept of Anaesthesiology &
Critical care, JIPMER

2. Post burns contracture Neck

Dr. SAGIEV GEORGE KOSHY
Professor,
Dept. of Anaesthesiology, PIMS

3. Management of pediatric
difficult airway

Dr. RAVISHANKAR. M
Professor and HOD., Dept. of
Anaesthesiology & Critical care MGM

4. Extubation in difficult airway

Dr. PANKAJ KUNDRA,
Professor Dept of
Anaesthesiology
& Critical care, JIPMER

12.45 - 1.30 pm LUNCH

POST LUNCH SESSION

WORKSHOP : (1.30 5.00PM)

1. **Percutaneous dilatational tracheostomy**

Dr.BHASKAR RAO. P Asst. Prof.
Dept. of Anaesthesiology, PIMS

2. **Flexible bronchoscope** - Dr.RAVEENDRA U S,
Secretary AIDiAA

3. **Bonfils retromolar intubation fiberoscope**

Dr. PANKAJ KUNDRA, Prof.,
Dept. of Anaesthesiology, JIPMER

4. **Video laryngoscope** Dr.DAVID VELIATH,

Prof., Dept. of Anesthesiology, PIMS

5. **LMA , LMA Fastrach, LMA C Trach -**

Dr. PRATHEEBA. N / Dr. DIANA, Asst. Prof.,
Dept. of Anesthesiology, PIMS

6. **I Gel , laryngeal tubes combitube**

Dr.NEHA SINGH / Dr.KARTHIKEYAN,
Asst. Prof., Dept. of Anesthesiology, PIMS.

REGISTRATION FORM

Name:.....

Designation:.....

Institution:

Address:

.....

Phone No:

Email ID:.....

Registration fee

Consultants/Practising anaesthesiologists : Rs.500

Post graduates Rs.350

Details of registration fee:

DD No: Date :

Bank and Branch:

DD should be drawn in favour of **ISA PUDUCHERRY,**
payable at Puducherry

Cash payment can be made to the
treasurer/organizing secretary

Last Date for Registration 25-02-2012

Registration form can be downloaded from
www.isaponidcherry.in

Signature of the delegate

Note: Registration form can be photocopied
